## MARY TAVY PARISH COUNCIL

WE HAVE TAKEN THE FIRST STEPS  
TO INCREASE BIODIVERSITY WITHIN THE  
CEMETERY. THE BLACK MATTING IS TO  
SUPPRESS THE GRASS BENEATH SO  
THAT IN THE SPRING WE CAN PREPARE  
THE GROUND FOR A WILDFLOWER STRIP.

THIS WILL HOPEFULLY ENCOURAGE  
POLINATORS TO THE AREA.

PLEASE LOOK OUT ON THE WEBSITE,  
FACEBOOK AND WHAT'S ON MARY TAVY,  
FOR OUR NEXT STEPS TO INCREASE  
BIODIVERSITY WITHIN THE PARISH AND  
HOW YOU CAN GET INVOLVED!
