

Parish Council Grant Awards 2012-13

The Parish Council has a limited amount of money set aside each year to support village organisations for the benefit of the community. We are now opening the process that will lead to new grant awards in the next financial year (April 2013).

If you represent an organisation within our community that may wish to apply for a grant award, please notify our Parish Clerk (details below) and you will be sent an application form and some information to help you.

Please note that the ***closing date for applications*** this year is ***30th September*** and late applications are very unlikely to be considered.

If you wish to register your interest in making an application, please write or email to the Clerk at:
