

Town & Parish Council Update

[View web version](#)

1 July 2025

Shaping Devon's Future - an update

As requested by Government we are continuing our work to develop proposals for local government reorganisation (LGR) in Devon.

Below you can watch a recent video from our Leader, find details of our online meeting for Town and Parish Councils and finally, there's a reminder of how you and your communities can have your say.

[Watch a recent video from our Leader, Cllr Mandy Ewings.](#)

Our Leader, Cllr Mandy Ewings talks about the Local Government Reorganisation (LGR) and the importance of hearing the views of everyone in the Borough.

Online meeting for Town and Parish colleagues

Reminder: You are invited to an online meeting with our Leader, Cllr Mandy Ewings and Chief Executive, Andy Bates.

As requested by Government, we are continuing to develop proposals for local government reorganisation in Devon and feel it is a good time to meet with our Town and Parish colleagues to update you on progress and to gather your feedback.

The meeting will be held on:

- **Wednesday 9 July 2025**
- **5:30 - 6:30 p.m.**

An invite has been sent to clerks, but please feel free to forward this on to other Town and Parish councillors who would wish to attend.

Have your say

Our consultation is an opportunity for residents, community groups and businesses to have a say.

Alongside briefing our Town and Parish colleagues, we have launched a survey to hear the views of residents, community groups and businesses across the Borough.

The survey, along with some frequently asked questions can be found on our new dedicated Local Government Reorganisation website :

- www.westdevon.gov.uk/local-government-reorganisation

Over the coming months we're planning a series of residents' meetings and other engagement activities - more information will follow on this as the plans shape up.
