Statement of Reasons

As a result of concerns being raised by the Parish Council and residents regarding the speed of vehicles on the approach to Mary Tavy from the south on the A386, it is proposed to reduce the speed limit to 40mph from National Speed Limit. This will improve road safety for all road users on the approach to Mary Tavy.

At the same time, the opportunity is being taken to review and consolidate the existing speed limits within Mary Tavy to make adjustments to update descriptions to ensure that measurements correspond with existing on street signage.

Specifically, the restrictions are proposed to preserve or improve the amenities of the area through which the road runs.
